

Return Progress Reports to your high school!

ATTENDANCE and PROGRESS REPORT ☒ 4th Week and ☐ 7th Week

Name: Mason Smart is enrolled at L CC through Expanded Options Program partnership with Oregon Virtual Academy and your Community College.

ORVA has requested a progress report for this student.

Course Title: HST 201 - United States History 1607-1820 Day/Time: ONLINE CLASS

To the instructor: Please provide the following information and **return the form to the student**, who will **return it to their high school**.

ATTENDANCE INFORMATION

X Student is attending regularly.....

X 0 absences 1 absence

 Student's attendance could influence performance.....

 2 absences 3 absences 4 absences

 Student is attending sporadically.....

 5 absences 6 or more absences

PERFORMANCE/PROGRESS INFORMATION

X Student is doing passing work.

 Student's performance is in need of improvement; there is time to demonstrate progress.

 Student has demonstrated minimal progress and is failing this class.

If I had to give a grade today, that grade would be A.

Instructor's signature  Date: Oct 21, 2019

COMMENTS

The course is a fully online course, so attendance is not applicable. However, Mason is clearly online, frequently engaging in the materials and messaging me, the instructor, on a regular basis. He is completing all of his work by the required deadlines and is performing near the top of the class at this time.

Thank you for your cooperation and information.

If you need assistance planning for success in your classes, please contact your Community College counselor or Academic Advisor.
