

Hello FPD Committee,

I have attended conferences in the past and can be fully reimbursed AFTERWARDS, for ease and accuracy of amount.

My current FPD account balance is \$1971.28.

I have used all of the official per diem rates for food and lodging. The conference is being held at the Planet Hollywood hotel and I have taken advantage of an early (refundable) reservation to keep the price well below the approved per diem rate.

This PDF includes this short cover note, the two page LCC FPD application, hotel reservation, conference reservation price page, and finally, the website information for the conference.

I have also submitted a hardcopy of this same information to Leah Smith, in the Math Office (room 166) in Building 16
