

Republicans for Rape

Below is the list of thirty legislators who were brave enough to stand up in defense of rape and vote against Senator Al Franken's anti-rape amendment to the 2009 Defense Appropriations bill. We applaud these courageous men! Roll over the portraits with your mouse to see the Senator's phone number, or click on a portrait to visit the Senator's contact page. We encourage you to send your kind words to these gentlemen!

Senators from states in which both senators voted nay get a pink background!

New! A fan-created rape support map has been added to the bottom of this page!
