VERY IMPORTANT

Before you begin, be sure to read the instructions How forums are graded .

Forum 2

- **Watch the web video (28 minutes in length) by clicking Accuracy in Media - Part 2 . Be sure to take careful notes.**
- **CLICK HERE to read the New York Times article on Vietnam The Real Story (also available in Class Handouts)**

Click on my post below. Read my questions, then click the REPLY link IN MY POST and to make your own posts. (Click the reply link in OTHER students' posts to make your replies.) You will continue to discuss this issue all week. Complete your initial post(s) and final replies by the Wednesday and Sunday deadlines.

Finally, one week of the forum will be weighted the same as your 100 point assignment you completed last week (even though you are seeking a score of 9 or more points for the week, as described in the How forums are graded guidelines.) How much effort did you put in to that paper? The same effort should be given to this discussion.
