what are you looking for?

Then **Em Bm D A** X2

Em

She said to me,

Bm

Go steady on me,

D

Won't you tell me what the wise men said when they,

Em

Came down from heaven,

Bm

Smoked nine till seven,

D

On a ship that they could find,

Em

But they,

Couldn't escape from you,

Bm

Couldn't be freed of you,

D

And now they know there's no way out,

Em

And they're,

Really sorry now for what they've done,

D

They were just three wise men just trying to have some fun,
