WASHINGTON UPDATE

NCH provides two ways for you to receive in-depth analysis of history- and archival-related news from the Nations capital. The NCH *Washington Update*, is a weekly electronic newsletter that wraps up events from the past week. We also offer an RSS feed that provides real-time access to news as it is being made. These reports provide information on legislation, hearings, markups, and regulatory issues of concern to historians, archivists, and other stakeholders. Both the newsletter and RSS feed are free and provided as a public service.
