HOW TO PACK YOUR BOX FOR SHIPMENT

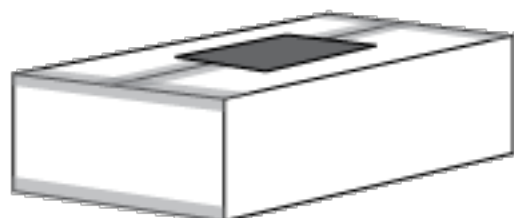

Fill the bottom of the box completely with books.

If you are unable to completely fill a box, please cut all four corners of the box down to book level.

Score the **inside** of the box (on all 4 sides) and fold flaps down to meet the books. (*End flaps first, then side flaps.*)

Apply tape along all seams - both top and bottom. (*This ensures books will not fall out in transit, which may cause loss or damage.*)

Secure the label onto the top flap.
