EXCLUSIVE: Professor’s Policy Offering Students ‘Extra Credit’ for Getting Vaccinated Quickly Pulled by University After Being Contacted

'It's not anything we sanctioned or supported,' university official says

By [Patricia Tolson](#) | January 13, 2022 Updated: January 14, 2022

[A](#) [A](#) [Print](#)

An “Assignment Details” post by a Florida university professor that offered 10 “extra Credit” points for students who got COVID-19 vaccines was quickly pulled by the university the day after being contacted by The Epoch Times.

In a screenshot of the Assignment Details posted at 6:17 p.m. on Jan. 10 by Professor Dianna Taylor for her Introduction to
