

WILL
OF
JOSEPH G. GLYNN

I, Joseph G. Glynn, of Bullhead City, Arizona, declare that this document is my Will. I revoke all wills and codicils previously made by me.

I.

I am not married, and I have no children. The primary beneficiaries under this Will are my sister, Pamela Escobar, and my nephews, Joseph Escobar and Andrew Escobar.

II.

I direct that all my just debts, obligations and expenses of my death be paid by my personal representative as soon as may be conveniently done after my decease.

III.

I give all of vehicles, household goods and furnishings, clothing, artworks, jewelry and personal effects to my personal representative to be distributed as my personal representative determines, being guided by my wishes as may be expressed in any written instruction to my personal representative. Any such tangible property that is not distributed shall be sold and the proceeds distributed as part of the residue of my estate as provided in article IV below, donated to a charitable organization or discarded as my personal representative determines.

IV.

I hereby give, devise and bequeath all of the rest, residue and remainder of my property as follows: (1) thirty-four percent (34%) to my sister, Pamela Escobar, or to Joseph Escobar and Andrew Escobar if she does not survive me; (2) thirty-three percent (33%) to my nephew Joseph Escobar, or to his lineal descendants if he does not survive me; and (3) thirty-three percent (33%) to

my nephew Andrew Escobar, or to Pamela Escobar and Joseph Escobar if he does not survive me.

V.

If any beneficiary under this will is under the age of twenty-five at the time of the distribution of my probate estate, then that beneficiary's share shall be distributed to the surviving parent of the beneficiary, as trustee in trust, to be held in a separate trust for the beneficiary, and administered and distributed as provided in this paragraph. The trustee of any trust created under this paragraph, may, in the sole discretion of the trustee, make distributions from the trust for the beneficiary's education and medical expenses not paid for by insurance. Any trust created under this paragraph shall terminate when the beneficiary reaches age twenty-five, and after payment of any taxes and administrative expenses, the trustee shall distribute all of the remaining assets of the trust to the beneficiary free of trust. If there is no surviving parent to serve as trustee, then any person nominated by a parent of the beneficiary, by that parent's Will or other written document, shall act as successor trustee.

VI.

I intend to benefit only the persons I have named or described in this Will. I do not intend to benefit any other person, including any spouse of any person who is a beneficiary under this Will. If the property of any beneficiary is subject to division with his or her spouse because of legal separation or dissolution of marriage, I express my strong desire that any interest that the beneficiary may have in my probate or trust estate not be considered a marital asset.

VII.

I hereby nominate and appoint my nephew, Joseph Escobar, as personal representative. In the event that he is unable to act, then I hereby nominate and appoint my nephew, Andrew Escobar, as personal representative. I hereby direct that no personal representative herein named be required
